AFRICA WEEK (March 20 - 23) 1991.

Africa Week is held annually to exhibit, and celebrate with the Ames / ISU community, long-held African culture through dance, clothing, arts and craft, and food. This year, Africa Week focuses on the state of the geo-political and economic structure in Africa in the face of strengthened economic and political unions in the world today.

There are about 200 African students, faculty and staff on the ISU campus from over 40 countries. The Africa Week '91 organizing committee of the African Students Association welcomes you to all our events as outlined in the accompanying brochure.

Please support our endeavors and help Africa Week 1991 be a great success. We ask that you circulate this information among members of faculty, staff, and students in your department. If you have any questions please call me at 294-9629 or 294-3737.

Sincerely

Henry Mloza-Banda
Chairperson
Africa Week '91 Committee.
