Dear Organization of A&S students

The Organization Recognition and Control Commission has granted your organization FULL RECOGNITION under Article III, Section A, Subsection 1 of Senate Bill #64.

This recognition allows your group to use the university's name and facilities in the pursuance of your basic aims and objectives. It does, however, accept the purposes of your group in accord with the best interests of the University and its student body. Your FULL RECOGNITION also allows your organization to apply to the Executive Budgetary Commission for G. S.B. funds.

Your group must maintain an account with the University through the Campus Organization office, Room 1, Bearshear Hall, Iowa State University. Your group must handle your financial affairs in an acceptable manner in accordance with the decisions of the Executive Budgetary Commission and the Campus Organizations office.

Your organization must also keep a current copy of your constitution and bylaws on file as well as inform the Activities Advisory Service of any change in officers within two weeks of such a change.
