IOWA ORNITHOLOGISTS' UNION

Daily Field Checking List

General Field Notes

Simile flushed as we approached. Food in nest was part of Cottontail including an entire head. Took movies of the three young. all have their eyes open now. Ears very noticeable on the smallest one which has very little down on 4th to 5th P.M.

Date 3/24/39 Observer W.M. Rowan & Bert Walker

Locality

Owls nest in Beaver Creek
