Dear Matt:

After you left the other day, it suddenly occurred to me that I may not have been clear on some things. One of the issues with the materials that you wish to leave on Reserve is that they are part of the collections within Special Collections. That indicates that they are rare and/or unique materials that cannot be loaned out and must be used within our Department.

Again, if anyone from the Committee wishes to make a special appointment, I will be glad to work with them. And I will also send a listing of what will be on hold and available in our Reading Room.

Please give me a call if you have any questions – many thanks~

Sincerely,

/
