Marcia Readhead, President
Ames League of Women Voters
1200 Ridgewood
Ames, IA 50010

Dear Ms. Readhead:

Thank you very much for your letter of recent date concerning the naming of Old Botany.

We are in the process of replacing the university Committee for the Naming of Buildings and Streets and the new committee has not yet been activated. Please know that I will present your request for discussion to the committee at our first meeting.

I am, indeed, very familiar with the background of our distinguished alumna, Carrie Chapman Catt. Her career as superintendent of schools at Mason City has always been of particular interest to me.

I will share your letter with the committee at our first meeting.

Sincerely,

Virgil S. Lagomarcino
Dean
