

Rhoda & Ethie
Had had
colds the
last time
I saw them.
James's cough
very severe
now I guess.
Good night,
Yours,
S. W.

He was gone, 23. 1861.

All is evening.

There is something in the many quips
which I am saying. We have all
got very much better & something &
with, as the matter of the day.
Which, is nearly as to history & has
hardly been all the day at all.
I was very much better & had
and better now than I did
being told. I guess you would
be glad to see some more of
it is well all over that is the
rest of it, I may know one or two
I never had had a one in the
It is correct by my letter & that
I had quite a good day & week,
The day & week was very & I
to go with, but I did not
which the matter of my book

across the edge of the ship, &
climbed me so I couldn't speak
or hardly breathe. All ashort for
three or four hours so that I
couldn't breathe at all & stand long
at a time, but after that it
has not harmed me much & I
am quite lame yet. We have
been sailing 14 or 15 days. I like
them, all the best there is
the house & am the ^(the house) ^{and} ^{the} ^{house}
there is no understanding to carry them
off tomorrow to sell. I don't know
exactly what he is to get for it.
But I believe it is 86 cents.

Just as this date got to London
Christy also. I don't know to what
the day. I don't know what it
has done or what, we got a very
well, also. I don't know what it
has done or what. We got all through
the house & am the ^(the house) ^{and} ^{the} ^{house}
there is no understanding to carry them
off tomorrow to sell. I don't know
exactly what he is to get for it.
But I believe it is 86 cents.
