

warm it more than
needed twice
since I left home.
My love to all
including friends,
with a large share
for yourself.
I think you
per love to
about about?
Over the
same?
Sally

Princeton Apr 2nd '90

Dear Ann?

It is now a little
past 9 O'clock A.M. & as I have a few
leisure minutes I will improve
them by writing to you. Horace is
out dragging his oats. Thom. is out
cutting weeds. Helene, Mary sits
in the settle with the Minnie,
playing with her, & it is useless
for me to tell you what I'm doing.
I wonder what all are doing at
Jeff's this fine spring morning!
I have quite bad cold & have
just the provokingest hacking
cough. Really I think you spin
the most "stret" yarn of any body
I know of. When you were at Caroline
mills did you visit Robt. Thunders?
and are they at Greenwich yet?
How are your flower's coming up?

this spring! It has been so warm here
that vegetation has started considerably.
I suppose Chae has got Minnie's likeness
that I sent two or three weeks ago.
Leonida says she is going home
a good likeness of Nellie taken for
you, as soon as she can, for the
one she sent was so dark, she was
ashamed of it. Nell. has got to be quite
a "gal" & is pretty I think. She has dark
eyes & very red cheeks. She looks ^{some} like
Becca Harley I think.

Mamma's wedding dress is a nice silk
& very neat & pretty. I have lots of
sewing to do. I have two dresses for
myself, two for Mary & one for Minnie
(a pink calico) to make besides shirts
for Horace & lots of other sewing. I am
going to try to get someone to help me.
I will send a piece of one of Mary's dresses
in this. I am going to make over my old
pink dress for her a summer dress. I haven't
